

## ABOUT MR MARK PINKS

Parish Councillor for Camelot Ward

*“I am an IT professional who has lived and worked in the village since 2005. My partner and I have three children attending Rushcliffe Academy in West Bridgford and South Wolds Academy in Keyworth. I have been a regular volunteer at the Clifton NG11 Foodbank since 2014, and a co-opted governor (previously parent governor) at St Peter's C of E Junior School since 2011, with a special interest in technology provision and education.”*

### **Local issues of interest:**

“Youth services provision was the issue that first piqued my interest in becoming a Parish Councillor, and this is something that I intend to pursue. I am keen to ensure that the Parish Council does all it can to preserve the identity, heritage, and presentation of the village, but above all, I aim to represent villagers views to the Parish Council to the best of my ability, to ensure that the Parish Council delivers on its duties to the whole community, and that it remains fair and transparent.”
