## VILLAGE NEWSLETTER

### Cricket Success

Ruddington Cricket Club is going from strength to strength. Over the past few seasons the Cricket Club has increased activity, especially with the introduction of the young people's coaching session on Friday nights.

As well as the 'usual' first and second teams this season there is an adult Sunday side, as well as an under 10's (kwik cricket), under 11's and under 13's side.

The Cricket Club have just bought some cricket covers with a grant

from the England and Wales Cricket Trust and their own fundraising.

They have also raised the money to replace one of the sight screens (which fell apart) including a grant of £300 from the Parish Council. They are still raising money to replace the other sight screen.

## Confused by pharmacy letter?

If you've been confused by a letter you've received from a company called Pharmacy2U, then you're not alone.

The organisation has sent an official-looking letter to residents throughout Ruddington, and many patients think it is from the local pharmacy or GP surgery as it appears to be an official NHS letter.

The letter asks recipients to fill out a form, and then promises to deliver prescriptions to a chosen address. However, if you do choose this option, your prescription will go to an internet-based pharmacy in Leeds.

Local pharmacists are keen to stress that the choice is yours as to how you'd like to manage your prescriptions. But they also wish to explain that using this kind of service means you don't get face-to-face care from a pharmacist, items can get lost in the post, and it can be tricky if you need medication quickly.

The organisation in question has also been fined for selling details of its customers without their knowledge or consent.

Mark Wharrier, pharmacist at Manor Pharmacy in Ruddington says: "If you receive a letter from an internet pharmacy but are happy with the service your local pharmacy provides, and still wish to receive your medicines from them, you don't need to take any action.

"However, if you have returned your registration form to them but wish to continue to receive your medication from your local pharmacy, please contact them and they can easily put things right for you. Despite the recent cuts to pharmacy funding by the NHS, Manor Pharmacy will continue to provide its current services in Ruddington and is not under threat from closure."

## Connect

Have you always been an independent person?

Has something happened to change that due to a health condition, mobility, bereavement – or any other reason?

**Connect** is a free community based service for adults, funded by Nottinghamshire County Council, which offers short term support when needed.

Connect can support you in a variety of ways. It may be with practical matters e.g. how to access help with gardening

and repairs or how to get involved with your local community to improve your well being.

Connect staff will be available in the library on the last Tuesday of the month for you to talk to if you feel they may be able to assist or support you. The next session is on July 26<sup>th</sup> from 10.00 – 12.00

If you prefer to talk to someone on the phone the number is 0115 939 5406 or you can email at [connect@metropolitan.org.uk](mailto:connect@metropolitan.org.uk). They can even visit you at home.

Independence is important and if you feel yours is at risk all you have to do is ask for support.

## White Horse wine festival

The White Horse Inn on Church Street will be hosting its annual wine festival on Friday 15 and 16 July. Over 50 wines from leading UK and international vineyards will be available to sample over the two days, along with an impressive selection of 12 local cheeses to complement the different grape varieties. The event will also feature a cocktail bar throughout the two days.

*some new and exciting wines that you won’t find anywhere else. These include Ice Wines – a type of dessert wine made from grapes that have been frozen whilst still on the vine, giving a concentrated, very sweet taste.*

*‘If you’re new to the world of wine, our event will give you a great introduction as we’ll have experts on hand to explain the different varieties and help you choose wines that suit your palate. There’ll be live music to keep you entertained, and our renowned stone-baked pizzas will be available in 6 inch tasting sizes for just £5 each.’*

## Alfresco swim raises money for Framework Knitters

Kay Humphries has started a month long fundraising campaign for the Framework Knitters Museum by taking part in the Great North Swim in Lake Windermere last Friday.

Audrey Winkler, Chairman of the museum trustees and Kay’s mother, said “I’m immensely proud of Kay, and extremely thankful that she chose to raise money for the Framework Knitters Museum with her swim.”

Kay swam the 5KM race in a time of 1 hour, 36 minutes and 44 seconds. This time placed her 7<sup>th</sup> out of the women in the 50-54 year old age group, and 267<sup>th</sup> out of the total 585 competitors, male and female of all ages.

The museum, on Chapel Street in Ruddington, is currently in the middle of a massive fundraising drive to raise a total of £750,000. This money will be used to redevelop the site to include an adjoining cottage they have recently

purchased, doubling the exhibition space and creating a new visitor centre. They have already achieved over £150,000 of their target, and have more fundraising events coming up throughout the year.

Kay said, “I only started open water swimming a year ago and absolutely love it. The fact I was able to raise money for such a great cause, and support the museum my mum puts so much time and effort into, made this swim even more rewarding.

The Great North Swim takes place over three days. It is Europe’s biggest open swimming event, with over 10000 swimmers challenging themselves by swimming a variety of distances in the open water of Lake Windermere.

For more information about the Framework Knitters Museum visit [www.frameworkknittersmuseum.org.uk](http://www.frameworkknittersmuseum.org.uk). ## Handball champions

Two Ruddington girls, Esme Elizabeth Winwood and Summa Betts are part of the Handball Team at Rushcliffe School.

The team have practiced during their lunchtimes and their dedication and commitment paid off when they recently made history by becoming the first school from the East Midlands to win the national Handball finals.

Despite only starting to play the game in October last year the team beat off competition from the 1200 schools that entered the competition to win the tournament without ever losing a game. Huge congratulations are extended to the whole team.

## A stadium for Ruddington

Ruddington continues to change in many ways. We have always benefited and lost out from our location, being close to but separate from West Bridgford and the City. The clearest example of this is in sports, leisure & young people's facilities.

I enjoyed watching Ruddington FC win the league at Bilborough's stadium. It is a pity is our village team could not be promoted because of the lack of suitable local sporting facilities.

The FC United of Manchester stadium is a fantastic example of a community owned stadium, which also has all weather outdoor pitches and as importantly, has rooms for use by the community, office space and on land not used have a partnership to grow rare English flowers.

The current plans include a micro-brewery and renewable energy generation. There are many examples of community owned buildings around the country.

Could we have such a stadium in Ruddington?

It would need a lot of hard work, passion, energy and discussion not least on the size of our ambition and wide spread community support.

If we were willing to put the hard work in it could be possible and a notable addition to our village."

## “The Big Friendly Read”

During the school summer holidays don't forget to visit the village library.

The annual Summer Reading Challenge starts on July 16<sup>th</sup> and runs until the 11th September.

This year it is called “The Big Friendly Read” in celebration of Roald Dahl's centenary.

4 to 11 year olds are invited to pop into the library and sign up. Then during the summer enjoy reading six library books to enable them to complete the Challenge.

Last year 70% of the children who started the Challenge managed to complete it. Let's see if we can make it 100% this year.

## Ruddington Summer Fayre Sunday 28 August

Building on the success of our now-annual Christmas Fayre, the Parish Council has decided to hold a Summer Fayre this year.

## Roaring success for Ruddfest

Ruddfest 2016 was another runaway success, with hundreds of thirsty punters flocking to the village in search of the 150 beers and ciders on offer (not to mention a fair few gins).

The Friday and Saturday nights were especially well-attended with all four venues – The Green, White Horse, Frame Breakers and Victoria Tavern – packed to capacity.

In between tipples, festival-goers were entertained by a variety of live acts, including a line-dancing performance on Thursday night.

Saturday afternoon saw the Knights of Nottingham touring the village on their magnificent horses, whilst a bouncy castle on The Green and a Family Fun Day at The White Horse on Sunday kept the kids happy.

Peckish punters were also spoilt for choice, with food options including BBQs, Indian snacks and curries, home-made pizzas and beer-inspired sausages.

Chief festival organiser, John Noble of the Three Crowns and Bar Six, comments: *'We may not have had the best weather this year – except for the Sunday which was scorching! – But what a fantastic event Ruddfest 2016 was.'*

*"We even ran out of beer on The Green on Saturday night! Thanks to everyone who attended and helped organise the festival – bring on Ruddfest 2017."*

Save the date: Ruddfest 2017 will take place from Thursday 1 to Sunday 4 June 2017.

## Museum and School Partnership Achieves Awards Success

The Framework Knitters Museum has been awarded the Working with Children and Young People Award at the Nottinghamshire Heritage Awards 2016 for their partnership with Rushcliffe School. The award was announced at a formal ceremony at Nottingham Trent University on Wednesday 8 June.

Deputy Chairman of the museum trustees, Julian Ellis, said, "This award does not only recognise the innovative thinking of our museum manager, Paul Baker, but is a tribute to the pupils and staff at Rushcliffe School for their work in developing this award winning partnership".

The unique partnership between the museum and the school started when the museum undertook a £100,000 redevelopment in 2014.

Pupils were invited to work alongside the professionals who were responsible for designing the exhibitions, creating new educational resources including a

multi-award winning interactive film, and for promoting the relaunch of the museum. Their feedback, ideas and input not only directed the decision making processes for the professionals, but the pupils were able to engage creatively in the project by starring in the film.

This latest award win joins an already extensive list of accolades which the partnerships, and the resulting educational film, have achieved. This includes an award at the European Heritage in Motion Awards, two at the East Midland Heritage Awards, and attaining the coveted Sandford Award.
