

## ABOUT MR EDDIE STORR

Parish Councillor for Manor Ward

*“I am a 37 year old father of two and an active member of Ruddington Cricket Club. I’ve lived in the village since February 2017, but my links with Ruddington date back many years as my Grandparents lived here throughout my childhood.*

*My two young daughters live with their Mum, but spend lots of time in the village with me.*

*My hobbies include playing cricket and golf, travelling, cooking and taking long walks with my Dad.”*

### **Local issues of interest:**

“These include:

- 1) Maintaining Ruddington's unique community spirit.
- 2) Increasing the provision of outdoor leisure activities for all members of our community.
- 3) Balancing the needs of our village against housing needs, as pressures continue on the region to accept new developments.”
