

THE RUDD

Ruddington volunteer's royal recognition

A volunteer who has dedicated over 30 years of her life helping to run our village branch of the Riding for the Disabled Association (RDA) is celebrating receiving a special "President's Award" from Princess Anne.

Founder member and trustee, Diana Haddon, was recognised for "working tirelessly and showing exceptional dedication" to the RDA service at Ruddington Riding for the Disabled group during a visit to the region by Her Royal Highness The Princess Royal.

Diana was among a number of volunteers from our area who were given RDA long service awards and rosettes at a special gathering in Derbyshire last month.

ruddingtongrange.com

Diana was nominated by Clarissa Howkins, who was the RDA North Midlands Regional Chairman in 2018. The President's Award recipients were then chosen by the Princess herself, as she is the President of the Riding for the Disabled Association.

Patricia Steven, from our village branch, said: "Members of the Ruddington RDA Group were proud to support Diana Haddon when she was presented with the RDA President's Award by Her Royal Highness The Princess Royal at the RDA Mid-Derbyshire 40th Anniversary celebrations held on Tuesday 15th January 2019 at Tansley in Derbyshire. Di was recognised for her exceptional dedication to the Ruddington RDA Group. She was a Founder Member of the Group and has worked tirelessly for the past 30 years contributing to the smooth running of the Group by simultaneously holding the roles of Hon. Secretary, Coach, Trustee and First Aider, and fundraiser."

Ruddington Group RDA is a registered charity run entirely by volunteers and is totally self-funded. The group holds fundraising events in our village several times a year. At the Group's 30th Anniversary celebrations in 2018, Diana was also presented with a 30 Years' Long Service Award.

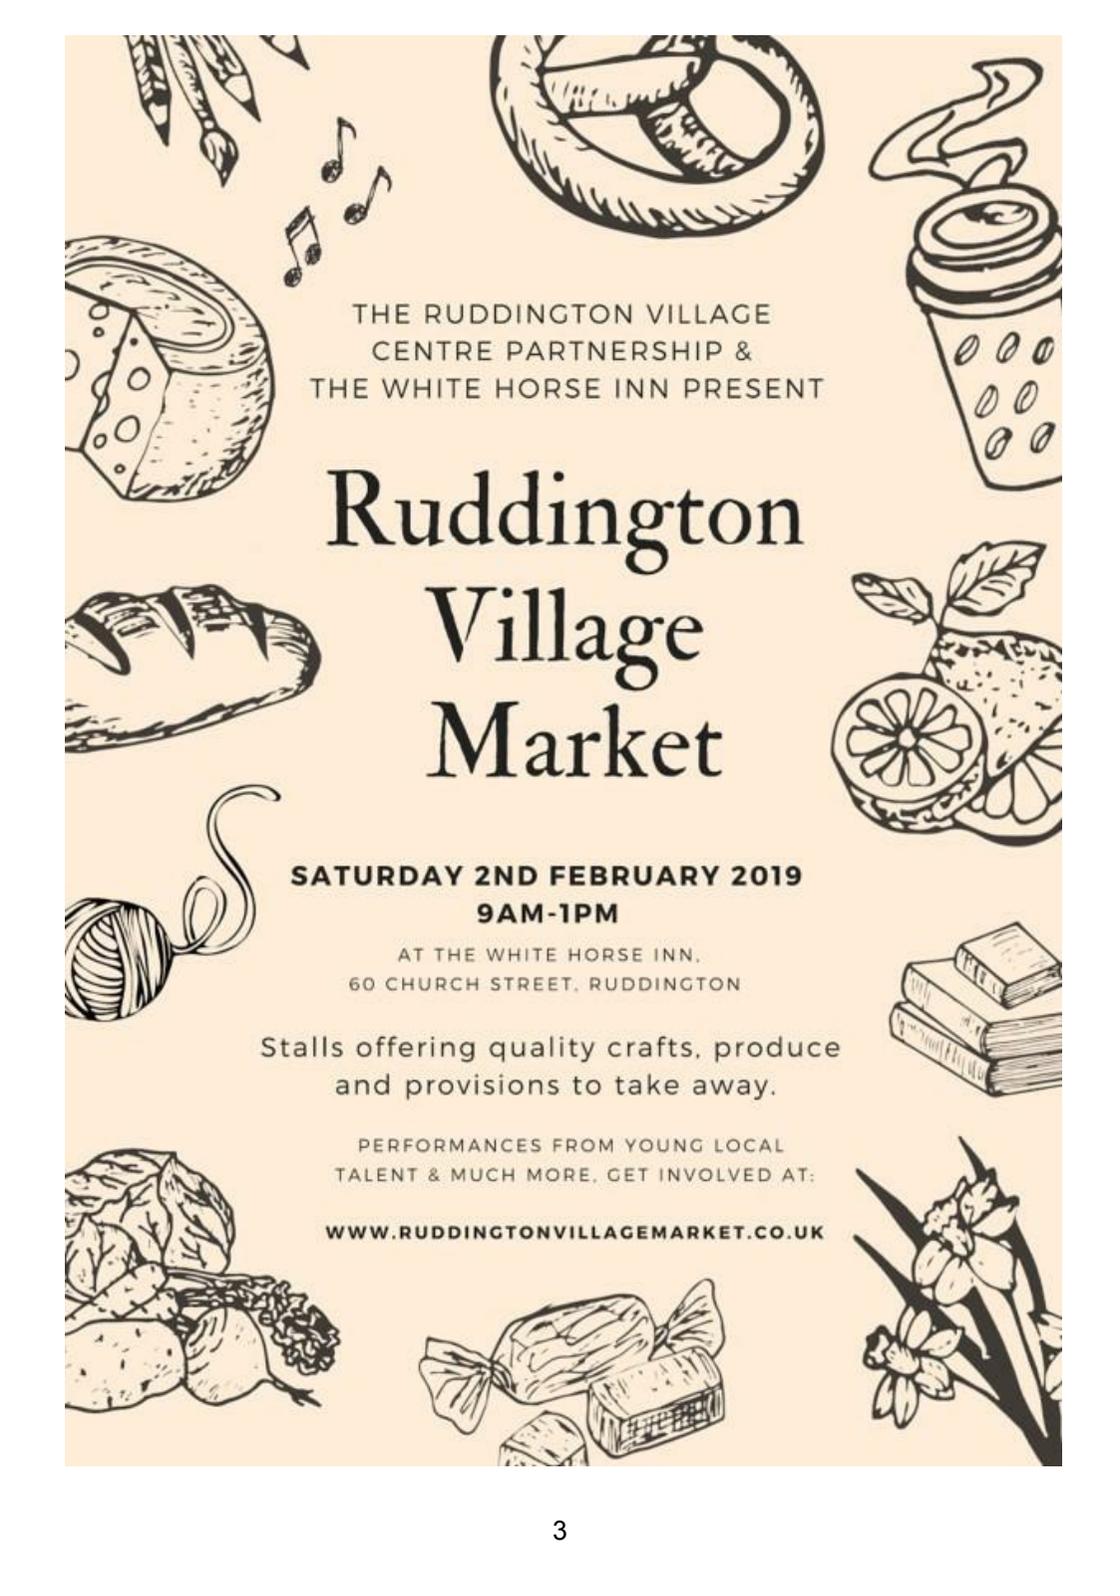

Diana told RUDDINGTON.info: "I'm delighted. But it's not just about me.

It's about the whole Ruddington group who were behind me – and I couldn't have done it without them." Speaking about being introduced to the RDA's Royal patron, she said: "It was a great honour to meet her, and she was very interested in the fact that I am a Founder Member of the Group which was started in 1988. We started riding at the Nottingham Equestrian Centre in Ruddington, taking children from Nethergate School in Clifton. We still take children from Nethergate, which has now become an Academy."

When the former equestrian centre at Lees Farm on Asher Lane closed down, the Ruddington Group was forced to relocate out of the village – and now operates on a Thursday afternoon during term time at The Meadows School of Riding in Normanton-On-Soar. Diana adds: "Riding helps these children with special needs in many ways. It strengthens the body generally, helps with their balance and core strength. It helps with communication, understanding and acting on instructions. According to their teachers, riding is the highlight of the children's week."

If you'd like further information about Ruddington Group RDA, or would like to help, you're asked to please contact Mrs Patricia Steven at patriciasteven@btinternet.com.

Loyalty Card February offers

February will see the latest selection of offers from the many village businesses that have joined the Ruddy Good Loyalty Card scheme. Some of these can be snapped up at the Ruddington Village Market, which debuts at The White Horse Inn on Saturday 2nd February.

You can find full details of stallholders attending the market, plus info on all the Ruddy Good Loyalty Card outlets, at RUDDINGTON.info. Or, just scan the QR code on the back of your card for the latest offers.

Planning permission for bakery

Rushcliffe Borough Council has approved plans for an extension to the Esso petrol station on Loughborough Road.

The single story extension will allow them to introduce a bakery, an extra toilet and a storeroom, whilst creating more floor space for the retail side of the business. There'll also be 5 extra car parking spaces behind the premises. There's no proposal to increase the operating hours.

Extra landscaping has been agreed to try to minimise any ongoing disruption to nearby residents who are unhappy with the plans. Nearby residents are currently subjected to anti-social behaviour by some of the

site's less considerate customers and out of hours visitors, and also have to regularly remove discarded food and drinks packaging from their properties – despite Esso providing sufficient bins.

Holocaust Memorial Day 2019 – “Torn From Home”

The liberation of Auschwitz occurred on 27th January 1945 and this day is now commemorated each year with International Holocaust Memorial Day (HMD). HMD remembers not just the millions of victims of the Nazis during World War II but also the victims of later genocides in Rwanda, Bosnia, Darfur and Cambodia.

As in 2018, the Parish Council marked HMD 2019 with a display in St Peter's Rooms, which was available to view in late January. The theme this year was “Torn From Home”. The display consisted of posters, poetry, booklets, photographs and cards detailing these tragedies. Booklets were available so residents could take the message of HMD away with them, along with postcards allowing people to send a message to survivors of the Holocaust which will be passed on.

If you didn't make it to the 2019 display, please come along next year – details will be posted on the Parish Council website and in The Rudd.

Parish Council Events Team

Ruddington Youth & Community Centre

There appears to have been some confusion in Ruddington about what is happening to the Youth and Community Centre on The Green. The following explains the current position, in simple terms.

For some time, Ruddington Parish Council has been in talks with Nottingham County Council (NCC) about the possibility of purchasing the Youth and Community Centre and the land attached to it.

Legal procedures have to be followed before any sale can go ahead, including NCC announcing that they are proposing to sell the land and interested Community Groups being given the opportunity to register an interest and, subsequently, bid if desired. The Parish Council have registered their interest and now wait to see if any other interest is registered before the deadline on 18th February 2019.

At the December 2018 Parish Council meeting, the purchase of the Youth and Community Centre was discussed. Subject to the Council being successful in its bid to purchase the site, the following decisions were made:

- That the whole site is to be used for community use only.
- That the aspiration is to create a new community building in the long term, keeping the existing building in the meantime.

We hope this alleviates some of the concerns that have been expressed on social media and elsewhere.

Highway improvements – Charles Street & Parkyns Street

Nottinghamshire County Council will be resurfacing Charles Street & Parkyns Street as part of an additional £20m investment to improve a number of residential roads.

The work is currently scheduled to take place between Monday 25th February and Wednesday 27th February 2019. For safety reasons, there'll be road closures and traffic restrictions on these dates.

Any queries should be directed to Nottinghamshire County Council on 0300 500 80 80 or at www.nottinghamshire.gov.uk/transport.

Meet our new Parish Councillor

Gavin Walker was co-opted to the Parish Council in December 2018 and now represents Manor Ward. Together with our other new councillors, Leo Lanzoni (Manor) and Chandler Wilson (Camelot), we'd like to welcome Gavin on board. (We featured Leo in the January edition and will introduce Chandler in March).

"I was born in Ruddington and have lived in the village for most of my adult life. For the past 12 years I've been a director of an Internet Marketing company, which has its offices in the village centre," says Gavin.

"I've been a trustee of the Ruddington Local History Society and the Village Museum for over 25 years. I'm also a long-standing member of the Ruddington Footpath Preservation Group, which I currently lead."

Describing his local issues of interest, Gavin adds: "Through my work with the Ruddington Village Plan, I've

become increasingly concerned with health care issues in the village, particularly around provision for residents with mental health issues or disabilities.

"I also have a keen interest in Ruddington's history and heritage. Without wanting to preserve the village in aspic, I'll endeavour to ensure that any development is sympathetic to our heritage assets and enhances the local environment."

You can contact Gavin through the Parish Council Office.

Changes to NCT 3 bus

As many residents are aware, Nottingham City Transport (NCT) reduced the frequency of its number 3 bus service on Sunday 27th January. The route in Clifton has also changed slightly, although the route through Ruddington remains the same.

According to NCT, the cuts were necessary due to the service operating at a loss, despite NCT introducing more buses after the route was taken over from Trent Barton in 2015.

From 27th January, off-peak and Sunday services have been withdrawn completely, whilst buses will run less frequently Monday to Saturday.

You can find more information about these changes and download the new timetable from www.nctx.co.uk or RUDDINGTON.info.

Roy Howard

9th December 1921 to

25th November 2018

Roy Howard, who died on 25th November 2018 aged 96, served as a Parish Councillor between 1964 and 1967. Roy and his late wife Sheila, who died in 2017, lived in the same house on Musters Road for over 50 years.

Roy took a keen interest in Ruddington's museums, acting as a guide at the Framework Knitters Museum and learning to use the stocking frames. He and Sheila were both honorary members of the Friends of the Framework Knitters Museum.

Along with Sheila, Roy was also a long-term member of our Local History Society and a staunch supporter of the Village Museum. The Great Central Railway was another of Roy's keen interests. Sadly, he didn't live to see his wish of the completion of a bridge joining GCR's two halves at Ruddington and Loughborough come to fruition.

During his working life, Roy was employed as a British Telecom engineer. The passing of both Roy and Sheila leaves a gap in our village and they'll be fondly remembered and missed by those who knew them.

With thanks to Peter McGowan

New Pilates class

Pilates is a fitness system designed to work the body in an even way to improve stability, flexibility, good breathing technique, and overall fitness and well-being. Pilates is suitable for people of all ages, fitness levels and abilities.

I've designed my classes to be enjoyable but also challenging. All the exercises can be modified to suit individual needs, with each person encouraged to work to their own goals with my support. Because of this, classes are kept small to allow for individual attention. Please wear comfortable clothing and bring a mat or towel to work on – and remember to book in as numbers are limited!

My classes take place on Tuesdays 9:30am to 10:30am in the Framework Knitters Museum Chapel on Chapel Street and cost £7 each. Email me at body.align@outlook.com or call 07715 141 587 to book your place, or find out more at www.facebook.com/BodyAlignNotts.

Tuesday 26th February

Environment & Policy Committee Meeting – at St Peter's Rooms commencing at 7:30pm. All meetings are open to the public, you can share your views on any agenda item.

The future of motorcycling?

A battery driven motorbike capable of 200mph and 0 to 60 mph in 2.5 seconds...that's what was on display at The Cottage Hotel when the Nottingham Society of Engineers (NSE) met there recently to hear a presentation. Professor Pat Wheeler from the University of Nottingham explained to an enthralled audience what was involved in the design, development and racing of a world-class electric bike.

“The NSE has an interesting and entertaining programme of presentations and visits”, says NSE President Peter Davison, pictured above with Professor Wheeler. “Anyone who’s been involved in any branch of engineering or construction is welcome to contact me on 0115 984 5733 or via www.nottingham.societyofengineers.org.uk, for further information.”

Parking update

The December 2018 traffic patrol stats for the village were:

- 235 visits
- 301 observations
- 20 penalty charge notices

Crime figures for Ruddington

For December, these were as follow:

- 3 x criminal damage
- 2 x theft from a motor vehicle
- 2 x theft from properties
- 1 x non-payment (theft) from a hotel
- 1 x violence against a person
- 1 x drink driving offence
- 1 x burglary
- 1 x fraud and forgery
- 1 x anti-social behaviour
- 1 x drugs offence
- 1 x hate crime incident

31st JANUARY 1919

Shoe Smith Albert Henry James, 20th Hussars

Accidentally omitted from the January 2019 edition – apologies.

Alcohol: how much is enough?

Have you done dry January? If not, you've probably still heard of the campaign, and it may have got you thinking about how much you drink.

How much should you drink?

Government advice is to stick to no more than 14 units a week. This is equivalent to a 1.5 bottles of wine or 5 pints of export-type lager (5% abv) over the course of a week – this applies to both men and women.

Try to spread your units evenly over three or more days. If you're pregnant or planning a pregnancy, the safest approach is not to drink alcohol at all, to keep risks to your baby to a minimum

The benefits of drinking less

Drinking less alcohol can help you sleep better, improve your skin and help you lose weight. Did you know there are 180

calories in a pint of beer and around 160 calories in a 175ml glass of wine?

The NHS website tells us that alcohol is linked with more than 60 health conditions, including liver disease, high blood pressure, depression and some cancers. In fact, alcohol is the biggest risk factor for death, ill-health and disability for people aged 15-49 in the UK. Cutting back on alcohol reduces your risk of developing these conditions.

Non-alcoholic alternatives

So what can you drink if you're off alcohol and bored with fruit juice or cola? People who've done dry January recommend Brewdog Nanny State beer, Seedlips Spice 94 non-alcoholic spirit and Belvoir Botanical Juniper & Tonic Pressé. Or, one of our pharmacists recommends cranberry with bitter lemon poured on top, served with ice.

Emma Anderson, Evans Pharmacy

Do YOU have a passion for Nottinghamshire?

Do YOU have an exciting project idea that would benefit your career, employer and Notts?

Do YOU want an experience of a lifetime visiting the USA to research your project?

The Nottingham Roosevelt Memorial Travelling Scholarship is a unique professional development opportunity that enables you to spend 6 to 12 weeks in the USA immersing yourself in American culture and your chosen project. It is open to anyone living or working in Nottinghamshire aged between 21 and 35.

For further information and to apply on-line please visit our website at www.rooseveltscholarship.org Applications close Friday 1st March 2019

Meet the...

Framework Knitters Museum

Last month, I popped into the Framework Knitter's Museum on Chapel Street, where their strong team of volunteers were very busy preparing for the year ahead. Like most people lucky enough to live in Ruddington, I've had a nosey around the museum and attended a few events over the year. However, during my visit, it struck me that the museum has so much more to offer us ... including warm hands!

So, in this edition of "Meet the...", I'm going off-piste a little and presenting to you three of my favourite items that their lovely shop, The Textile Emporium, has to offer. The shop, which is free to access, stocks unique accessories and thoughtful handcrafted gifts from local makers and creatives.

One of my absolute favourite items in their shop are the gloves, pictured below left. We have some cold months ahead of us and these unique, colourful, warming knits will brighten up a grey day. Volunteer Mary Hopkins has machine-knitted and hand-finished them onsite, and there are plenty to choose from. They're a great way to support our museum whilst giving a nod (or a wave) to the industry that helped shape our village. Gloves cost £11 to £15 a pair.

I also love this little adorable wool-blend rabbit made by artist and technical demonstrator, Helen Brownnett. So beautifully crafted on-site, each rabbit is unique and costs £12.50. Helen knows the museum's Griswold circular knitting machines better than anyone and is readily available to show you how to knit

your own souvenir. I'm not sure you can really call yourself a local until you've had a go!

Finally, I think this hand-stitched brooch from Molly's Mum would make a great gift. This would instantly brighten up a dark winter coat or jazz up a plain jumper, for just £4.50.

So if you need a last-minute gift for someone, why not pop into The Textile Emporium for something truly thoughtful and unique?

As the colder months are now upon us, you may want to complete your visit to the shop with a cuppa in the traditional little café, which is also free to access. However, the museum reopens at 11am on Friday 1st February, so why not buy a ticket and have a proper look around?

If you love craft, food, gardens and history...you're in for a big treat!

Sarah Godfrey

Wheelchair appeal

The Parish Council has a free "for hire" scheme to assist residents if they temporarily require a wheelchair or are awaiting a permanent wheelchair from The Red Cross or the NHS. The wheelchairs are sent for servicing to make sure they're safe to use.

Unfortunately, the demand for this service is now outstripping the availability of our wheelchairs.

If you have a privately owned wheelchair that you'd like to donate to the Parish Council, please call 0115 914 6660 and we can arrange to collect it. It should be in full working order with no missing parts. If you have a Red Cross owned wheelchair, you'll need to contact 01158 528029 to return it.

Kids' clothing bank

Did you know about the Ruddington Children's Clothing Library? It was set up by resident and mum Sally Dyson in a bid to help both the environment and local families on low incomes.

The library loans out children's clothes for a fixed period of time, on payment of a refundable deposit. There's no fee for borrowing clothes and the deposit is repaid when the items are returned.

You can find out more and start borrowing clothes through Sally's Facebook group: www.facebook.com/groups/RuddCCL.

Exciting year ahead for Framework Knitters Museum

The Framework Knitters Museum on Chapel Street is gearing up for what could be its most successful year to date. Further to securing Heritage Lottery Funding (HLF) last year, plans are now afoot to put the museum's ambitious redevelopment and expansion project – christened “A Right Good Yarn” – in motion.

This will see the site as we know it transformed, with a new visitor route, enhanced interactive displays and exhibitions, a new and improved shop and café, and lots of activities for visitors to enjoy.

Playing a key role in bringing these plans to fruition will be Jim Grevatte, the museum's new Manager and Curator, who came on board in November 2018.

Jim arrives in Ruddington with many years' experience, having worked at The Galleries of Justice, as Regional Museums' Advisor for East Midlands'

MLA and most recently as a well-respected museums' consultant.

As well as working on the HLF project, Jim has lots of other plans for the museum, including offering “behind the scenes” insights into the site's extensive collections and some of its hidden secrets. The first of these will be on Thursday 11th April, where people will have the opportunity to have a go at some of the traditional skills and activities that keep this unique place alive. There'll also be information on the wide range of volunteering opportunities that the site has to offer.

The museum's popular kids' craft activity, the Griswold Gang, will return for half term on Thursday 21st February and in the Easter holidays on Thursday 11th April. The Griswold Gang is free to attend, although donations are welcome, and booking isn't required. Sessions run from 11am to 3pm in the Chapel.

But it's not just about events, of course. “I want to help people understand the significance of the textile industry and the number of connections it has to people's lives and histories,” says Jim. He's planning to deliver this in a variety of ways, including a social media campaign, family history workshops and a community workshop project, potentially involving local schools. An

exciting oral history project – funded by the Co-op Local Community Fund – will record residents’ personal memories of Chapel Street, to help commemorate the museum’s 50th anniversary of its establishment next year.

In the meantime, Jim has already re-launched “Museum News” with a brand new format and design. You can download a copy of the January 2019 edition from the museum website or ask to be added to the mailing list for future issues.

Educational links have always been close to the museum’s heart, so Jim will also be working to strengthen links with local schools, colleges and universities. At the same time, the museum is planning to extend its work with vulnerable groups, including disabled youngsters and refugees.

To support these activities and help with the day to day running of the museum, Jim is currently recruiting a

part-time Museum Assistant. He also hopes to grow his team of volunteers, from those wanting to learn the skills of a knitter to those that can spare a few hours once a year.

The Framework Knitters Museum reopens on Friday 1st February after its winter break. Until Easter, opening hours will be Wednesday to Saturday, 11am to 4:30pm. For more information, visit www.frameworkknittersmuseum.org.uk, call 0115 984 6914 or email office@frameworkknittersmuseum.org.uk.

Faye Stenson, with thanks to Graham Wright and RUDDINGTON.info.

Collective energy switching

Like to save money on your gas and electricity bills? Nottingham Energy Partnership are running their successful “Nottinghamshire Switch, Save and Smile” for a second year. It’s a no-hassle way of finding a more affordable gas and electricity deal using people power.

It’s free and easy to register and there’s no obligation to switch to the tariffs you’re offered. But if you do change, everything is done for you. Last year, people who switched saved an average of £224 on dual fuel tariffs.

Find out more or register by Tuesday 12th February at www.nottenergy.com/collective-switching or by calling 0115 784 6696.

Could you be a school governor?

James Peacock Infant and Nursery School is looking to appoint a co-opted governor who has links within the local community of Ruddington to join the board at the school.

If you think this may be of interest to you, and you'd like to contribute towards our success, please call 0115 914 4425 to make an appointment to discuss the role in detail.

Mr R Waldron, Head Teacher

Happy birthday to us!

February is our publication's birthday month. "The Village Newsletter" was started in February 2010, in response to community requests for a new publication after the original incarnation of "The Rudd" ceased production in 2008

After 93 issues, The Village Newsletter was re-branded in November 2017. By popular demand, we returned to the old name – with the blessing of Lorna McCullough, who launched the original Rudd 26 years earlier in November 1991.

When The Rudd first began, Derek Kennedy welcomed it as an "...informative vehicle that keeps villagers updated on events, happenings, gossip etc."

Whilst it now may have a different format and is also available online, we hope The Rudd will continue to keep "villagers updated" for many years to come.
