

## ABOUT MRS YLENIA ASTEGIANO

Parish Councillor for Flawford Ward

“I’m a 29 year old Italian that moved to England in 2014 for the first time, fell in love with it and decided to build a life here. Back in Italy I grew up in a little village, a bit like Ruddington, where I was involved in the local youth clubs and the community club, running events. I was also part of the marching band and the church choir.

“I work as a wine advisor in Loughborough and I’ve been living in Ruddington since autumn 2019 with my husband, after a year in West Bridgford. I look forward to being part of the community again here in the village.”

### **Local issues of interest:**

“After the decision of the Parish Council to co-opt me to fill one of the vacancies for Flawford Ward, I’m keen to put my skills and energy to good use in promoting the village and its unique identity.”
