

ABOUT **MS JUSTINE LUCAS**

Parish Councillor for Easthorpe Ward

“I’ve lived in Ruddington with my partner since 2018. I currently work as the Performance Lifestyle Advisor for the Team GB Paralympic swimming team and held several welfare-related roles before this. I’ve also been a professional rugby player in the past, gaining 33 caps for England.

“Keeping fit is obviously a big part of my life and I’m a keen member of Compound Strength and Conditioning in Ruddington. On a different note, I’ve joined the Ruddington Village Centre Partnership committee and am enjoying getting stuck in.”

Local issues of interest:

“My main priorities are to make sure residents’ views are heard on the various Greenbelt developments our village is facing. The redevelopment of the Community Centre on The Green, and extending the provision of local sports club facilities and amenities, are also high on my agenda.”

You can contact Justine through the Parish Council Office.
