- c) Community Centre Working Party – We had a very productive meeting on the 29th June. An update on the Chalbury visit was given, we talked about avenues of funding streams and how focusing on the sporting element of the community centre for now could open up more and larger pots for funding. We agreed that between them, Chris, Ken and Leo would be responsible for looking into possible funding revenues and Chloe will have overall governance of the spreadsheet used to track who we've spoken to/ what we've explored and track progress. Chris and Ken have had initial conversations with both the Cricket Club and Ruddington Colts. A first draft business plan has been drafted by Chris which the working group is to provide feedback on by tomorrow. We had received replies back from Arc at this point so we went through these and compiled a list of questions we had, which Chris then took back to them. We've had a response to all of the questions now and the quotes are a lot clearer to us. Responsibilities of working party members were decided and roles will be defined at next meeting. Meeting Chair- Holly, Funding- Chris, Ken and Leo, with Chloe updating tracker, Business plan- will be the responsibility of all to provide feedback, Holly to keep up to date and maintain, Stakeholder management- Graham, Ken, Mike & Ken will have overall governance of tracker
